TSU Vision

A globally competitive university recognized for excellence in sciences and emerging technologies.

TSU Mission

TSU shall develop highly competitive and empowered human resources fostering responsive global education, future-proof research culture, inclusive and relevant extension programs, and sustainable production projects.

Core Values

- T** - ruth in words, action and character
- S** - ervice with excellence and compassion
- U** - nity in diversity

General Function

The **Office of Admission and Registration (OAR)** is the repository of all students' records. It serves as the main frontline service of the University as far as curricular and academic matters are concerned. Thus, the Office of Admission and Registration (OAR) handles curricular and academic information, students' admissions, registration, evaluation, accreditation, graduation, records management, and all other allied services.

MISSION

To provide academic and administrative support to instruction to enable it to attain its educational mandate.

VISION

The OAR is to be completely automated and be able to provide on-line services to clientele.

GOALS

1. Selective admissions to ensure the quality of entering students.
2. Selective retention of students
3. Efficient and effective management of student records.
4. Total quality services to the students.
